Johannesburg – Thabamati Travelling directions –

There are 2 options to travel –

Johannesburg airport to Thabamati – This option is the most travelled one, however the roads in SA are shocking and this route is becoming increasingly full of pot holes.

OR

Johannesburg Airport to Thabamati via Polokwane – This option is a little longer to travel, however the roads are great and the scenery just as much.

Upon reaching the Enkhulu Gate Timbavati, you can follow the signs within the reserve to the camp, this is approx. another 1 hour travelling through the park to get to the camp.
